The high quality of the Repton academic programme has been amply demonstrated in excellent results at GCSE and A Level this year with key metrics in both sets of public exams underlining the determined efforts of pupils and the unfailing support of their teachers. At GCSE, 60% of grades were in the 7-9 range and 96.1% in the 4-9 range. At A Level, 77.4% of grades were A*-B with 80% of pupils in at their first-choice destination and 96% placed at one of their two chosen universities. Of those, four candidates achieved places at Oxford and Cambridge and a further six chose to study abroad, three of whom at Cornell, Harvard and NYU. In a year of tighter margins, in which some pupils did not gain places, it is a testament to the sound advice of our Higher Education team that Reptonians have been able to access their preferred university choices to such a degree.
